Fax. No.22256970

Ref: 11050144/KC/L/ 861
Date: 16 APR 2014

Attention: Mr. Eng. Ali Elhendawi (Project Manager)

Contract No. 11050144 (EF/1794)
CONSTRUCTION OF BURGAN OFFICE COMPLEX PHASE - II
Subject: Carbon Steel Workshop.

With reference to your letter 11050144/KDL/KOC/AE/1844/14 dated 10th April 2014 and our earlier letter 11050144/KC/L/828 dated 24th March 2014, please be informed that to expedite the fabrication activities, Company has no objection to your approved sub contractor's proposal of utilising the Workshop of M/s Trust Est. for General Trading & Contracting for fabrication of carbon steel spoos.

However, the above is subject to the following conditions:-

1. Welder qualification, WPS, PQR to be submitted for Company review & approval without any further delays.
2. Inspection and Test Plan to be submitted for carrying out periodic inspections and QA/QC Engineer to co-ordinate all the stages of inspections during fabrication of spoos.
3. Hydrotest procedure along with other construction and quality documents to be submitted for Company review and approval.
4. All fabrication to be carried in compliance to approved piping/pipe layout, P&ID's, isometric drawings and in line with Contract Specifications.
5. It is limited to the above Contract only.
6. The Contractor shall be fully responsible for any consequences (compliance to Kuwait Labor laws, Insurance on accidents, HSE rules and regulations etc.) that may arise due to such arrangement.
7. There shall be no extra cost and / or time impact to the Company due to such arrangements.

This is for your information and further necessary action without any delay.
